You get paid for the allocation of time and not the actual job time. And because jobs often end early, once you learn the job (15 mins early per job), teams are often back to the office 45 minutes early and on the way home by 4:30 PM. **We do not require cleaners, to clean more than 7 hours a day and never past 5:00.**

Part Time Employees: Part time employees still work a full day as outlined in the above time chart. We do not offer partial work days. Get your work schedule every Friday for the next week.

COMPENSATION – HOW YOU GET PAID

You are paid for each job you work. Your pay is based on an hourly rate for the **time allocation expected to complete the job.** This is similar to compensation plans for mechanics.

If you complete the job early then you still get paid the full amount based on the time allocation. If you go over time you only get paid the allocation of time. Our pricing tool is very accurate in predicting time requirements. 95% of the time you will finish before the time allocation expires (15 minutes early on average). Typically, less than 5% of jobs go over the allocation of time. And if they do, it's not much. If you are a veteran cleaner, you can appreciate how important this is. We take care of our people by providing jobs based on realistic time tables that leave some breathing room. Our company is built around you, so you will love working here. Because you can finish a job early and still get paid the full amount, **this is technically a commission paid job.**

Drive Time Pay and Excess Drive Time

We don't pay for drive time unless the average exceeds 30 minutes. The average drive time between jobs is 30 minutes or less. If the average drive time happens to go over 30 minutes we will pay your hourly cleaning rate for the excess drive time. It doesn't happen very often but if it does happen, we take care of our people, and pay for the excess time.

Guarantee Pay

Customers reschedule or skip service from time to time. This is why your pay ranges from week to week. You typically work between 25 – 35 hours a week cleaning homes. Every once in a while you may have a week where there are lots of reschedules or cancellations. In those rare events, we still guarantee Full Time Cleaners Partners \$450 a week and Team Leaders \$500.

We know how important it is to keep our people busy. Guarantee Pay is seldom offered by other cleaning companies. We are happy to provide guarantee pay because we put our people first.
