- Most flexible Recurring Schedule
 - In addition to traditional, weekly, bi-weekly, and monthly, we also have 6-weeks & bi-monthly
- You get more cleaning with us.
 - Our 70-point checklist includes more cleaning than any other maid company
 - Other maid companies use a 50-point checklist.
 - We leave our 70-point checklist, signed by the Team Leader, on the kitchen counter after we have inspected your home to make sure we have completed every task, plus any customer notes and instructions you provide during your setup.
 - If you are shopping other maid companies, ask them about these areas:
 - We dust your blinds, baseboards, and high-dust **every room, every time we clean**
 - Many maid companies skip these on Recurring Service, but not us.
 - Other companies clean these areas on a rotating basis, which means most of your home will not be completely cleaned.
 - We tell you how long we will be in your home. It's on the estimate
 - No other maid company tells you how long they'll be in your home.

Why Choose Us?

- Proof of insurance and crime bond is located on our website.
 - No other maid company does that. Don't just ask if they have insurance; get proof.
- Detailed Work Order set up
 - Your Account Manager builds your Work Order with you over the phone. We use a detailed questionnaire when setting up a customer. No one else does this.
 - It is like a virtual walk-through of your entire home, gathering all the details of exactly how you want your home cleaned. Those detailed notes go into your work order and all future work orders for recurring service. That way, we do a great job the first time and all future jobs, because everything you want is in the work order.
- Superior Customer Service
 - Our office staff is well-trained and dedicated to provide you with the highest satisfaction.
 - Reminder emails and texts a week out and the day before your service
 - Satisfaction email after every service with a link to provide feedback
 - Satisfaction call from your Account Manager after your initial cleaning, first recurring at once during the year to confirm your continued satisfaction
 - Friendly hours, Monday-Friday 7:30-5:30 and Saturday 9:00-12:00
- Largest maid service company in Georgia.
 - We have been in business since 2010.
 - Last year, we cleaned over 8,000 homes, and this year it should be over 9,000.
 - The only way that could have happened is with great service and competitive prices.
 - We are not a franchise; we are family-owned and make all decisions locally.
 - You can hire us with the confidence that we will do a great job at a competitive price.

Our goal is simple: make your life easier and your home a place you love to walk into. With transparent pricing, flexible scheduling, and the option to request the same cleaner or team, It's Maid Day has become a trusted choice for homeowners across the Atlanta metro since 2010.
