Drive times and Job times will vary every day. Because we are the only maid company that provides Guarantee Pay, you can count on getting paid at least \$500 a week for Full-Time Cleaning Partners and much higher for Team Leaders.

Straight time equivalent

The total work time a week from the time you arrive until the time you go home is approximately 40 hours, which makes this a \$12.50/hr equivalent job. Team leaders earn approximately \$13.75 an hour their first year and approximately \$15 their second year.

Maximum Capacity Rules (2 person team)

- No more than 6:30 hours of actual cleaning per day
- No more than 4 houses a day (most maid companies have you clean 5-6 houses)
- Last job ends no later than 4:30 PM (most maid companies work you to 5:00 pm - 7:00 pm)

We are the only maid company that has maximum capacity rules. Our goal is to provide an environment where Cleaners can thrive and not get burned out.

COMPENSATION – HOW YOU GET PAID

You are paid for each job you work. Your pay is based on an hourly rate for the **time allocation expected to complete the job**. This is similar to compensation plans for mechanics.

If you complete the job early, you still get paid the full amount based on the time allocation. If you go over time, you only get paid the allocation of time. Our pricing tool is very accurate in predicting time requirements. 90% of the time you will finish before the time allocation expires (10 minutes early on average). Typically, less than 5% of jobs go over the allocation of time. And if they do, it's not much. If you are a veteran cleaner, you can appreciate how important this is. We take care of our people by providing jobs based on realistic timetables that leave some breathing room. Our company is built around you, so you will love working here. Because you can finish a job early and still get paid the full amount, **this is technically a commission paid job**.

If you get out 10 minutes early on 3 houses, your day will end 30 minutes early and yet you will get paid for the full allocation of time.

Drive Time Pay and Excess Drive Time

We don't pay for drive time unless your average drive exceeds 30 minutes. If the average drive time happens to go over 30 minutes, we pay your hourly cleaning rate for the excess drive time.

Guarantee Pay/Work

Customers reschedule or skip service from time to time. If you have ever cleaned houses before or worked for another maid company, you know the frustration of inconsistent pay. Not with us. We guarantee a full schedule every week even when customers cancel or reschedule, and you don't have a full day of work. Who else does this in the maid business? Nobody. We are the only company that will guarantee you get a full paycheck every week. We put our people first.

As a Cleaning Partner (entry level) the guarantee **includes** tips and bonuses. At \$16 an hour, cleaning 30 hours a week is \$480, and our cleaners earn around \$25-\$50 a week in tips and bonuses. That is how we come up with the \$500 of weekly guaranteed pay. **So, we are even guaranteeing your tips and bonuses**. Team Leaders guarantee is \$500 **PLUS** tips and bonuses, which again are around \$50 a week. So new Team Leaders earn between \$500-\$550 a week.

Guarantee Pay Eligibility Rules: What we really guarantee is having 6 hours of work a day. If you have a short day of cleaning and only have 5 hours of cleaning, we have other work you can do back at the office to make up the work time. The primary work is helping with our Postcard mailing campaign, putting labels and stamps on postcards. It could also include taking the company car to get deep cleaned, or additional training classes. We have plenty of work for you to do, even if it's not cleaning. **Part-Time employees are not eligible for guarantee pay**.
